The theme of the 2011 Criminal Justice Conference is "Criminal Justice in the Digital Age." Panelists and moderators will explore modern technology and media, and discover how the criminal justice community can better use the technological tools of today. After attending the conference, attendees will be better prepared to utilize emerging technology in their respective fields.

The 2011 Criminal Justice Conference is also utilizing a conference website, [www.cjc2011.com](http://www.cjc2011.com). By visiting the website, attendees are able to view the event schedule, see bios and photos of panelists and moderators, and also comment on the *CJC Blog* before, during, and after the conference. Attendees will be encouraged to use tweet during the conference, using the hash tag #cjcdc2011.
